(17) *She*

The best vacation of all.

It was a trip I'll never forget. Out of all the various travels to foreign countries my trip with my parents to the USA last summer stands out as the most challenging and exciting.

It all started one evening after dinner. My father gathered us in the living room and proposed something so bizarre that we didn't believe it at first. Father said, "I suggest going on a car trip around the USA". We sat there confused but eager to ask questions about how we were going to organize all of this.

When we finished the planning we hopped ¹⁰⁰ on a plane, flew to ^{the} USA, rented a car there and started our trip. It was such a new kind of experience for me! A strong bewildering feeling of freedom accompanied our trip all the way through.

During one of our stops we sat near the road and took a photo of us three. It wasn't really cold outside so my mom, who has long blonde hair, only wore a coat and a small scarf. My father had his shirt with a light jacket on. At that moment my mom told my dad, "I love you for your ²⁰⁰ ability to make the most unrealistic dreams come true, and I'm sorry if I have ever acted ignorant towards you."

To sum this all up, I absolutely loved this trip and want to do something similar again in the future.
